Hon. Commissioner of Patents  
Alexandria, VA 22313-1450

Sir:

The Examiner is respectfully requested to consider the references listed on the attached Patent and Trademark Office form PTO-1449. Pursuant to the Waiver of the Copy Requirement in 37 C.F.R. 1.98 published in the Official Gazette on August 5, 2003, copies of cited U. S. patent documents and pending U.S. applications that are available in the Image File Wrapper system are not submitted, but will be provided upon request. These references were cited in the International Search Report mailed 18 November 2004.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

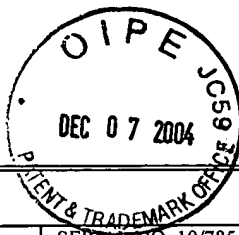

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to deposit account no. 07-1969.

Respectfully submitted,
